# FEATURED THIS MONTH

## NEW YORK STATE OF MIND

**WHEN BARBRA STREISAND** returned to the New York City jazz club the Village Vanguard for a free one-night-only concert in September 2009, it was the hottest ticket in town. The audience included such luminaries as former President Bill Clinton, Secretary of State Hillary Clinton, Sarah Jessica Parker—and 74 lucky fans who won tickets through a lottery.

THIRTEEN is pleased to give you a front-row seat to this historic performance with the broadcast premiere of *Barbra Streisand—One Night Only at the Village Vanguard* (Mon 8th, 8 p.m.). This special is just one of the ways we bring you the finest New York has to offer online, on the air, and in the city's parks, theaters, and concert halls.

We're also—quite literally!—your ticket to **Andrea Bocelli's free Central Park concert** on September 15. The internationally beloved tenor will perform favorites from his vast repertoire on The Great Lawn with special guest artists and the New York Philharmonic. Visit [BocelliCentralPark.com](http://BocelliCentralPark.com) for ticket and event details, and tune in to THIRTEEN for more information. For

a more immediate Bocelli fix, you can enjoy *Andrea Bocelli: My Favorite Moments* (Fri 5th, 9:30 p.m.).

Theater lovers won't want to miss *Making War Horse* (Wed 10th, 8 p.m.), a behind-the-scenes look at the acclaimed World War I drama from Britain's National Theatre about an English boy and his beloved horse. The Lincoln Center Theater production won five Tony Awards, including Best Play. See page 5 to learn about a special ticket offer for THIRTEEN members.

We're also proud to announce the launch of *MetroFocus*, a multi-platform local media initiative covering news, culture, and life in and around New York. Look for the *MetroFocus* website, online now at [thirteen.org/metrofocus](http://thirteen.org/metrofocus), to evolve in coming months into a mobile application and a broadcast on both THIRTEEN and WLIW21. Designed to examine the issues and challenges unique to life in the nation's biggest metropolis, *MetroFocus* explores our identity as New Yorkers, what draws us here, what keeps us here in spite of it all, and what we'd like to change.
